OUR GUARANTEE AND POLICY CONCERNING REPLACEMENTS

WE GUARANTEE OUR TREES TO BE TRUE TO NAME

If any proves otherwise we will replace it or refund the purchase price. We will not be liable for more than the purchase price.

WE GUARANTEE OUR TREES AND WOODY SHRUBS TO BE IN GOOD CONDITION

when sold and to commence growing if given proper care. If any fail to start growing after being properly planted and cared for, we will allow one-half the purchase price as credit on replacement. Any request for replacement shall be accompanied with the paid sales receipt and the tree or shrub. In case the nurseryman is wholly satisfied the cause of loss was principally the nursery's and that tree had received completely proper care, full replacement will be made.

PROPER CARE INCLUDES

Protection against sun, wind, and frost before planting.

Prompt planting at correct depth.

Placing of any fertilizer at a safe distance from roots.

Choice of a location suited to the variety with respect to sun or shade, wet or dry soil, the possibility of frost damage, sufficient room to grow.

Generous use of peat moss and some acid fertilizer around acid-loving shrubs.

Regular cultivation and watering when needed.

Pruning, guying or spraying when needed.

Winter protection for semi-hardy varieties.

OUR NURSERYMEN ARE GLAD TO ASSIST YOU

with information regarding the special requirements of the trees you are purchasing as they apply to your location.

Often it will be wise to bring a snapshot or sketch of the area to be planted so we can better advise you. We sincerely want you to achieve excellent results with your trees and shrubs and are unhappy to see a fine tree fail due to improper circumstances.

TREES ARE LIVING, BREATHING, GROWING THINGS

that with a little care will give beauty and satisfaction for many years.

PLANT CAREFULLY! CARE FOR THEM! ENJOY THEM!

RESPONSIBILITY

The Hopkins Nursery was established in Seattle in 1893 by T. R. Hopkins--father of Harold Hopkins the present nurseryman. It has been at the present location since 1924 with a history of have grown better varieties of trees and shrubs in this region for over 60 years. We feel we are well qualified to serve you.
